

KEEPERS OF THE SACRED

WGAw #2355127

A SERIES for TELEVISION
Created by Angela Russell

PROJECT OVERVIEW

Why is KEEPERS OF THE SACRED (KS) groundbreaking entertainment?

- KS Series showcases brilliant artists and innovators who are dedicated to creating new paradigms in entertainment.

- The KS storyline is infused with profoundly compelling content intended to transcend race, religion and political persuasion.

- While not a 'musical' per se, an extremely important aspect of KS is its extraordinary soundtrack. With a playlist that includes a broad spectrum of genres, consisting of both original theme music and licensed songs by composers and artists from diverse cultures throughout the world, every scene is matched with its perfect musical counterpart.

- Utilizing music-montage sequences, live-action and fine-art animation, KS integrates multiple genres including romance, comedy, travel, nature, science fiction and historical drama.

- By combining exceptional talent and an outstanding soundtrack with a fascinating, thought-provoking storyline, KS has a unique recipe for a world-class television series.

How is KEEPERS OF THE SACRED enlightening?

- Impregnated with elegant concepts in science and philosophy, clearly articulated by fascinating characters, KS provides a wealth of knowledge delivered through the medium of high-quality entertainment.

- KS sheds light on current innovations and future technologies that benefit life on Earth.

- A story filled with multi-faceted jewels of insightful wisdom, KS offers a treasure-house of inspiration and encouragement for those who wish to refuel their spirits.

The KEEPERS OF THE SACRED television series was written and developed to fulfill a growing demand for new models of entertainment that serve to enrich humanity's imagination of itself. Designed as an experiential odyssey, its remarkable soundtrack and visionary storyline promise to evoke…

The thrill of adventure…remembered

The lover’s passion and the warrior’s courage…reawakened

The mysteries and magic of creation…revealed
